

Volunteer to Serve as a Sponsor Form

For the 2012 Medallion Ball (registration beginning May 2009), all Junior Medallion participants must be sponsored by a member of St. Lucy's Auxiliary. The member must have been a member in good standing for the preceding 5 years to sponsor a Junior Medallion candidate. As defined by the St. Lucy Auxiliary Bylaws, Article 3, Section 1, "Active Membership" is defined as {one} "who is interested in the welfare of the Auxiliary, attends its meetings, serves on any committee of the organization or its projects, or renders support of the Auxiliary through contributions".

Responsibilities of a Sponsor include:

Act as a liaison between the Junior Medallion and the Auxiliary, including annual follow-up to fulfill the 25 hour per year volunteer recommendation;

Encourage active participation by the Junior Medallion's mother or guardian in the Auxiliary;

Although there is not a set limit to the number of candidates that a member shall sponsor, Sponsorship implies that the member has an active interest in the success of the Junior Medallion Candidate in their pursuit of fulfilling the requirements to be awarded the St. Joan of Arc Medallion as presented at the Medallion Ball. Members may sponsor their daughters.

Please review Medallion Credentials requirements for further information on the Junior Medallion Candidate requirements.
